Purebred Gelato Batch Freezer. It incorporates the latest in stateoftheart Batch Freezer technology, giving you even more flexibility than earlier models. That incorporates Hot Gas technology, and yields consistent finished product, batch after batch. The LB202 G RTXs power consumption is among the lowest in the industry. Characteristics Recommended for low overrun gourmet. Included in this auction is just about everything you need to get started. Just add milk! Unit is air cooled and the scraper blades are in excellent condition. No other auction on ebay has the complete setup. They are only selling the machines. This auction will get you off and started right away. Posted with Unit has a few minor issues. Plastic overlay over the buttons is worn over one button, as seen, button works fine, no repair has been attempted. There is some wear to the agitator. As seen, it does spin fine, and doesnt bind at all.

Some might choose to replace it, but it works just fine as it is, no detracting from the performance of the machine, This is normal wear and they do all wear as such. No reason to be concerned, just wanted to point it out as it isnt easy to see in the pictures. It is also missing the clear plastic cover over the input hopper. And three of the grate rods are missing at the input hopper, as seen in pictures. These are easy owner replaceable pieces if you wish to do so. 20qt capacity.
